AMENDMENTS

In the drawings:

Please substitute the enclosed formal drawings for the informal drawings.

REMARKS

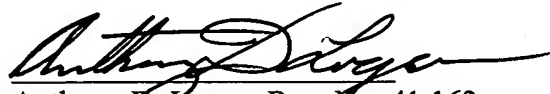

Replacement drawings have been requested. The Applicant is submitting the formal drawings (9 pages) of the parent application (09/627,037) (red-line corrections made to the original informal drawings can be found in the parent application or, at the examiner's request, Applicant can provide a new set of red-line drawings showing the corrections). Therefore, as in the parent application, Applicant believes that no new matter has been added and respectfully requests that the formal drawings be entered.

Conclusion

For the reasons set forth above, Applicant believes the patent application is now in condition for examination.

Respectfully submitted,

Date: May 6, 2004
